

Stronger Libraries. Stronger Communities. Brighter Futures.

ENGAGE. | INNOVATE. | GROW.

DIGITAL SOLUTIONS FOR LIBRARIES

Why **Learners Engaged?**

A digital resource creates value only when people use it.

We look for solutions that address clear needs, remove barriers to access, encourage meaningful engagement, and give libraries practical ways to demonstrate their value.

Purposefully selected. Practical to implement. Built to be used.

Solutions for Meaningful Community Outcomes

Economic & Professional Growth **Business Expert Press**

Equip entrepreneurs and professionals with practical business knowledge they can apply immediately to grow, lead, and make better business decisions.

1,500+ expert-written eBooks • 200+ used in Harvard Case Studies

Language & Cultural Connection

LingQ

Help learners build real-world language fluency through immersive, engaging content that supports integration, newcomer success, and lifelong learning.

Authentic content across 50+ languages

Let's Build Stronger Libraries

Every library and community is different.

Learners Engaged works with libraries to identify digital solutions that align with their goals, budgets, and communities – with a focus on engagement, practical outcomes, and meaningful impact.

Schedule a Conversation

Let's explore what your library is trying to achieve, the challenges you're facing, and where Learners Engaged can help.
