

MODERN LANGUAGE LEARNING

LingQ supports language learners, lifelong learners, and newcomers through meaningful, real-world content that reflects how people naturally acquire language, not through memorization or drills.

BUILT ON REAL-WORLD CONTENT NOT MEMORIZATION

- Learning starts with understanding, not memorization
- Content adapts to each learner
- Supports long-term language acquisition
- Effective for learners of all ages, including ESL learners

A PRACTICAL FIT FOR PUBLIC LIBRARIES

Supports language learners, and newcomers

Unlimited, simultaneous patron access

No waitlists, usage caps, or artificial limits

Complements or replaces traditional language tools

ENDLESS CONTENT. UNLIMITED LEARNING.

LingQ enables patrons to turn real-world content they already engage with into language learning experiences. Patrons can also import their own content from the web.

"Everyone is capable of becoming fluent in a second or third or ninth language!
All you need is the desire to learn and the right system."

- Steve Kaufmann, Co-Founder of LingQ
